Who This Guide Is For

This guide is for all users who need to complete this WardWalk task.

Explains how to open an assigned walk list.

What You Will Learn

- What a walk list is
- Open your assigned walk list
- View addresses or voters
- Understand completed and remaining records
- Return to your list later

Before You Begin

- Use the email address approved for your campaign.
- Use a current browser and a stable internet connection.
- Open the WardWalk app link provided in your setup or invitation email.

Step-By-Step Instructions

1. What a walk list is

Open the walk-list area, choose your assigned list, review remaining streets or addresses, and return to the list after each visit.

2. Open your assigned walk list

Open the walk-list area, choose your assigned list, review remaining streets or addresses, and return to the list after each visit.

3. View addresses or voters

Follow the on-screen WardWalk controls for view addresses or voters. Pause and ask your campaign Admin if the task affects users, voter data, exports, or campaign setup.

4. Understand completed and remaining records

Follow the on-screen WardWalk controls for understand completed and remaining records. Pause and ask your campaign Admin if the task affects users, voter data, exports, or campaign setup.

5. Return to your list later

Follow the on-screen WardWalk controls for return to your list later. Pause and ask your campaign Admin if the task affects users, voter data, exports, or campaign setup.

Privacy reminder

WardWalk may contain sensitive campaign, voter-list, resident, volunteer, and private campaign information. Do not share screenshots, exports, voter-list files, resident notes, or private campaign materials unless authorized by your campaign.

Common Issues

- Visit will not save: check required fields and internet connection.
- Wrong address: search again and confirm city/town before saving.
- Duplicate warning: review prior visits before adding another record.
